#### **HEIFERS**

### **Heifer Guarantee:**

If a Buyer purchases a heifer that happens to be bred, the producer agrees to refund the full purchase price plus \$1.00 per day for every day the buyer has ownership of the heifer. This is subject to a veterinarian's certification that the heifer is pregnant and the returned ear tag verifying the farm of origin. The heifer's ownership then reverts back to the producer and the producer must negotiate with the buyer as how you can get the heifer marketed or the producer can make arraignments to have her returned.
